

LEAGUE OF OUR OWN

FANTASY FOOTBALL RULES

2026/27 season

SECTION 1

PRICING

OPTION 1

You will have **£85 million** to spend with up to **four transfers**. Two transfers can be used before 1 January and two after. See the Transfers section for the full rules.

OPTION 2

You will have **£90 million** to spend with **no transfers** available for the whole season.

Choose whether you want to play with transfers, then let the team builder validate your selection rules and budget automatically before you submit.

SECTION 2

SCORING

CLEAN SHEETS

RED CARDS

5 points for a goalkeeper keeping a clean sheet.

2 points for a defender keeping a clean sheet.

10 points will be deducted for any player receiving a red card.

GOALS

10 points for a goalkeeper scoring a goal

7 points for a defender scoring a goal

5 points for a midfielder scoring a goal

3 points for a forward scoring a goal

5 extra points for two goals in one game

10 extra points for a hat-trick or more

ASSISTS

3 points will be awarded for each assist. No bonus points are awarded for multiple assists.

Player and fixture data is taken from the official Fantasy Premier League data: [premierleague.com](https://www.premierleague.com).

SECTION 3

WEEKLY FIXTURES

Each gameweek is the actual set of Premier League fixtures assigned to that scoring period. It may contain more or fewer than ten matches.

All matches assigned to that gameweek count once they are scored.

Rearranged matches count in the gameweek to which they are ultimately assigned.

This keeps scores current each week instead of waiting for postponed matches to be played months later.

SECTION 4

TRANSFERS

Four transfers can be made throughout the season: two before 1 January and two after.

Unused transfers carry over into the second half of the season.

The weekly transfer deadline is **7pm on Friday**. A transfer submitted on Monday will therefore count from that Friday's gameweek.

Players transferred in must be in the same playing position and cost no more than the outgoing player, plus any unused money in the team's total budget.

Player availability and prices are shown in the team builder.

SECTION 5

ENTRY FEE

The entry fee is **£20.00**. Please pay when you submit your team, or pay the balance if you kept money in your account. Include your team name as the payment reference.

Please contact us for the current bank details.

SECTION 6

PRIZE MONEY

WEEKLY PRIZES

A weekly prize of **£10.00** is awarded to the team or teams with the highest score for each gameweek.

The prize is shared if there is more than one winner.

SEASON PRIZE POOL

After weekly prizes are paid, the remaining season prize pool is shared between the top five finishers:

1st	50%
2nd	25%
3rd	12.5%
4th	7.5%
5th	5%

The exact prize amounts depend on the number of entries.

SECTION 7 **TEAM BUILDER**

Choose your transfer option, then use the online team builder to select your squad and submit your team. It validates your selection and budget automatically.

[Build your team →](#)

Submission deadline: Thursday, 20 August 2026

SECTION 8

FINAL NOTES

Emails will be sent after the weekly games are complete, allowing a few days for scores and results to be finalised.

For questions, email leagueoffourown.fpl@gmail.com with "Footy" in the subject line.
